

Classroom Guide

As a classroom guide volunteer you will greet class groups as they arrive and introduce them to the Kids' World of Energy Festival! Throughout the day, you will assist class groups in moving between activities/workshops and be on hand to answer logistical questions. Awareness of on-site facilities such as washrooms, First Aid and the water trailer will be essential to help provide directions.

Responsibilities:

- ✓ Meet school buses and prepare students for their day. Review safety protocol and take them to their first activity centre.
- ✓ Assist teachers and students throughout the day with on-site orientation and information.
- ✓ Be familiar with the grounds in order to answer questions and give directions.
- ✓ Provide a farewell on behalf of the Kids' World of Energy Festival.

Associated Skills:

- ✓ Responsible and self-motivated.
- ✓ Good problem solving skills.
- ✓ Enthusiastic with a positive attitude!
- ✓ Interest and enthusiasm for environmental issues is an asset.
